Todaybulb

Product Description

R7s halogen light bulb

The Todaybulb's R7s halogen light bulb includes J78, J118, J125, J189 and J254 models. Engineered for high brightness, energy efficiency, and extended lifespan. These halogen linear bulbs are ideal for residential, commercial, and professional applications. These halogen linear light bulbs feature crisp illumination and accurate color rendering (CRI 100).

Advantage

- Super color quality

Todaybulb's linear R7 ECO halogen bulb is with CRI 100. Perfect color accuracy for true-to-life illumination.

- Warm white Light and flicker-free

Todaybulb's halogen linear light bulbs cast a soothing 2700K warm white glow and ensure stable light with no flicker.

- Dimmable

Customize your space's mood with precision dimming technology that lets you fine-tune brightness levels to suit any occasion.

- Easy installation

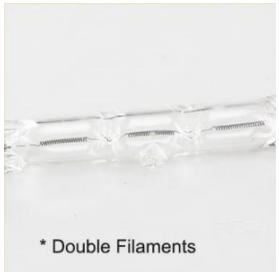

Halogen linear bulb is universal fit for compatible fixtures.

- Precision-Configured Options

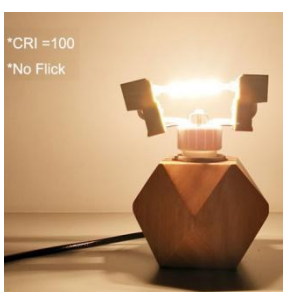

* Exact-length: 78mm, 118mm, 125mm, 189mm and J254 for perfect fixture matching.

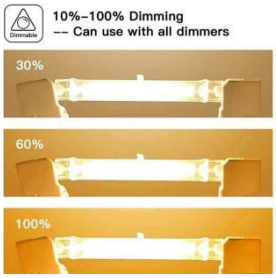

* Wattage: 80W to 1500W, to suit a wide range of power requirements.

* Lumen: A variety of lumen outputs available to meet different brightness requirements - from 1,380 lm up to 30,000 lm.

Todaybulb

R7s halogen light bulb

Feature

- ✓ Dimmable
- ✓ 100% CRI
- ✓ R7s base
- ✓ Warm white light
- ✓ Flicker-free
- ✓ 2000 hours life span
